The figure displays five staves of banjo tablature, each representing a different position or measure of a breakthrough pattern. The staves are arranged vertically, with measure numbers 2, 5, 10, 13, and 16 indicated at the top of each staff.

- Measure 2:** Shows a sequence starting with a stroke indicator (SI) followed by a series of notes and rests. A hammer-on (H) is indicated on the 5th string at the 3rd fret.
- Measure 5:** Continues the pattern with a stroke indicator (SI) and a hammer-on (H) on the 5th string at the 3rd fret.
- Measure 10:** Features a stroke indicator (SI) and a hammer-on (H) on the 5th string at the 3rd fret. It also includes a pull-off (P) from the 3rd string at the 2nd fret to the 2nd string at the 0th fret.
- Measure 13:** Shows a stroke indicator (SI) and a hammer-on (H) on the 5th string at the 3rd fret. It includes a pull-off (P) from the 3rd string at the 2nd fret to the 2nd string at the 0th fret.
- Measure 16:** Concludes the pattern with a stroke indicator (SI) and a hammer-on (H) on the 5th string at the 3rd fret. It ends with a final note on the 2nd string at the 0th fret.
